Valley View Road Reconstruction Project

Dear Resident:

Stage 2 (Valley View Road – McCauley Trail to Braemar Boulevard)

The contractor is placing pavement markings today. Please stay off the marked areas as much as possible until the paint dries. The contractor will place lights within the next week, dependent on Xcel Energy to energize the lighting cabinet.

Project Detour

Detour signage is in place to route thru traffic north on Valley View Road. Please adhere to the detour if your destination is on Valley View Road north of Mark Terrace Drive.

Special Events or Access Needs

Please call me if you have any special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

Who to contact with Questions or Concerns

Please call me at 763-287-7149 to discuss any concerns or questions you might have regarding the project or email me at aplowman@wsbeng.com.

Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
